### 2011 - 2012 OPERA DESCRIPTIONS

#### *Lucia di Lammermoor*

Lucia loves Edgardo and Edgardo loves Lucia, but Lucia's marrying ... Arturo? Donizetti's tragic love triangle is complete with star-crossed love and feuding families à la *Romeo and Juliet*, only a bit more twisted.

#### *The Golden Ticket*

The classic tale of Willy Wonka's golden ticket contest is taking on a whole new look. With chocolate rivers, Oompa-Loompas and inflating blueberries, this opera will satisfy any sweet tooth's cravings.

#### *Don Giovanni*

Mozart was ahead of his time when it comes to *Don Giovanni*, the story of history's most charming scoundrel. A reality show about this bachelor's scandalous affairs would have been worth millions.
